

3 KEYS TO eCLINICAL EXCELLENCE

Everyone agrees that speeding up clinical trials is a good thing, but where can efforts have the greatest impact? We polled over 100 individuals at study sponsors across the industry. See how your experiences compare with your peers, and where are the greatest areas for improvement.

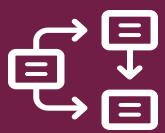

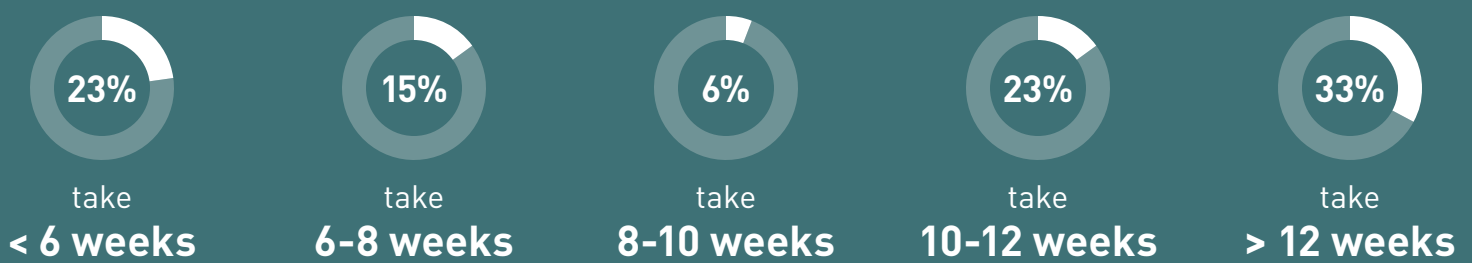

STUDY SET-UP

Seek expertise in rapid design and configuration of study set-up

How do you compare to other study sponsors when configuring systems and protocols?

TIME REQUIRED

WORKFLOW

Implement solutions that are intuitive and easy-to-use for sites

Are systems supporting your study?

38% of sites
are
satisfied

62% of sites
have
issues

“Individual systems are difficult to use.”

“Too many systems to work with.”

“The whole environment is difficult.”

QUERIES

Choose a partner that provides a single point of contact for all support

Do study teams, sites and patients know who to call for support and problem resolution?

38%
use

1-2 vendors

40%
use

3-5 vendors

22%
use

more than 5 vendors
